first date

I have never told anyone this, but I've held it in long enough and have to get it out of my system. I had lesbian sex once, six years ago, in college, with a sorority sister. I knew she was bisexual and didn't have a problem with it. She never hit on me, so it was cool. She was hot, what people call a 'lipstick lesbian.' Very pretty, perfect figure, and very feminine. It all came about after a night of hard partying, and we were back at the house in the living room. I had been playing touchy feely with my boyfriend at the party, but he got too drunk and we dropped him off at his place. He had his hand in my pants, and mine in his, and it ended a little prematurely. He zipped up and left me high and dry so I dropped his ass on his doorstep.

I started complaining to Katrina about him, and when she jokingly said 'if you need a helping hand let me know.' I looked at her and she smiled back at me. Her teeth were perfect and her hair ruffled a bit from the late night, but she was hot. I thought to

myself, why not? So we went back to her apartment and I settled into her plush sofa. I was both nervous and excited at the same time. She slowly undressed in front of me and then took my hands and pulled me to my feet. She had the most perfect breasts I've ever seen, round and perky, big areolas and erect nipples. She had a nice hourglass shape, her waist was tiny, her tummy flat, and her pubic hair shaven clean. She gave me a quick peck on my lips and started undressing me slowly. As every piece of my clothing was dropped on the floor, she pecked my lips each time.

We stood in front of each other naked, and she reached out, cupped my breasts, and teased my nipples to erection with her thumb. I did the same to her. Katrina wrapped her hands around my back, and pulled me into her. Feeling her breasts press into mine felt great, and I could feel her nipples rub against mine. She kissed my shoulder, then my lips. So different than a guy whose face can be rough; just soft silky skin, and I can still remember the waft of her perfume.

We went into her bedroom and laid on her bed, and began exploring each others bodies. When I rubbed her vagina, she was very wet. She began kissing, licking and sucking down my body, and began giving me oral. It was great. Then she shifted around and put her vagina on my face. I noticed that her labia were much more pronounced than mine, and much darker. But she looked yummy in the dim light and began licking and sucking on her clit and pussy lips as she did me in sixty-nine. I came before she did and got out from under her. I finished her off with my hand, while sucking her nipples. All in all, I did enjoy it, mostly the softness of a woman's body, and her breasts, and the fact she knew how to hit my hot buttons. We fell asleep and I ended up staying the night. In the morning she made the best coffee, ever.

office hanky-panky

I'm working my ass off for this company, rarely taking a coffee break and eating lunch at my desk so I can get more work done. I'm sure a lot of you guys have been there. There is so much work that I don't leave the office until ten at night sometimes. There have even been a couple nights this month that I've spent the night in the employee lounge because I was too tired to drive home.

Fortunately, this is going to be one of those nights. So, it's pushing ten-thirty and I decided to crash in the lounge. I get to the door and see that a few lights are on. Usually, they're not. I also notice that the door is open about six inches and before I go in, I peek through the opening and see two women inside the room. I recognize one of them, Brianna, from another department. The other has her back to me so I can't tell who that is.

Brianna is sitting on the couch against the wall opposite the vending machines. The other lady is in one of the chairs facing her. They seem to just be talking when the other lady stands up and walks over to Brianna. I hear her say that she needs to be licked. Shoes and all, she climbs onto the couch and drops her pants. She spreads her feet apart and pushes her pussy into Brianna's face. I see Brianna's hands come around and grab the other lady's butt cheeks and pull her hips closer. I hear them slurping and moaning as Brianna's fingers began exploring between the other lady's butt crack.

Now the other lady turns and climbs off the couch. Oh my god, it's Victoria, the CEO of the company. I'm floored. I knew she kept late hours, but for this. And why aren't they doing it in her plush office. Oh well, when you're hot, you're horny and little else matters. I hear Victoria say "Now it's your turn, baby."

Brianna lays down on the couch, pulls up her skirt

and pulls her panties off, throwing them on the floor. Victoria goes over to her and pulls one of Brianna's legs off the couch and touches the floor. Her pussy must be totally exposed, I think to myself, because Victoria is blocking my view. Then she kneels on the floor and lowers her face into Brianna's pussy.

Victoria straightens up a little and pulls Brianna by the hips lower into the couch. Then she climbs onto the couch, bare-assed and into a sixty-nine position over Brianna. The ladies lick it up in some hot 69-ing and Victoria makes it look even hotter with her ass in the air. Brianna is ready to cum but it seems to take a little more work to get her off. Victoria gives her a finger insertion and that sends Brianna over the top. A moment later Victoria is pushing her pussy down hard onto Brianna's face and grinds herself to a climax.

I quietly back away, walk back to my office. I grab my briefcase and head to my car.

– Al, Toledo

*Then she kneels on the floor and lowers her face into Brianna's pussy.
Immediately Brianna moans and bucks her hips.*

toys for me

I'm a 28-year-old, divorcee who is so disappointed with men that I refuse to date them anymore. I have not yet tried to date any women but I think that may be a good possibility. So I'm stuck writing to you to get my sexual frustrations verbalized. I found this magazine in the stuff my husband left when he left.

want. I've developed a bit of a sexual routine to get myself off, twice each time. Once with one toy and the next with the other. I start with the vibrator on my clit and turn it on – low at first.

The soft vibrations stimulate me to a clitoral climax and then, after a very short ten minute break to let my clit stop buzzing, I pull out the big boy and take it with me into the bathroom.

I pour myself a nice glass of wine; put some warm water into the tub, because that's where I'm going to end up after I cum, and stick the dildo onto the rim of the tub. That way I can straddle the tub, one leg in and one leg on the bathroom floor. Then I bend over both arms down and out grabbing the rim to support myself as I back my butt down onto the

dildo. I'm still wet from the vibe action minutes ago so it slides in to me pretty easily. I go up and down on it from many positions and after I climax again, I slide into the tub and melt away.

I have to tell you, this is actually great sex, if you don't miss a real live flesh and blood person to share it with. I'm sure that after a while I'll change my mind again and seek out happiness with a real person. I think I may explore another woman and I think I know where to find her; my friend Alicia. I may end up calling her in a day or two. But for now I'm happy with the two plastic guys I've purchased.

– Halley, still in my bathroom

When I saw the title – **Club Wives**, I laughed because that's what I should join. I looked through it and while the pictures were nice, I thought to myself that my husbands and I never had sex like these people in the pictures. But I must say, I thought the two-girl pictures were pretty hot.

Unfortunately for me right now, I'm the kind of woman who needs a good fucking on a regular basis. I recently went out and bought myself a couple vibrators. Actually, one was a vibe and the other was a dildo. It is large and fleshy with a suction cup base. The sales girl on the phone convinced me that it really felt good, so I decided to try it. Fortunately, I now live alone and can do whatever I want, whenever I

Valerie & Melanie

Valerie and Melanie just blew off their evening school class so they could cram for another test. Their project is late and they must do it as soon as possible. It has to do with female-on-female orgasms. The most interesting question is how quickly and intensely can a female climax without a man? Both say they can cum under a minute. OK, start the stopwatch!

Lexi says she dreams about me when we're apart, and she thinks up all kinds of crazy stuff for us to try out the next time we get together for some romantic time. I love it when she slowly and passionately licks my pussy. She's the best that I've ever had in my whole life. I'll cum over and over; it's like a never ending wave. Olivia & Holly

My best friend Holly is sort of an oversexed hottie, but she only likes doing the dirty with me! I never ever thought of myself as a lesbian until lately, but nowadays I just can't get my mind off of Holly's tight girly bod. Even on the weekends when I'm getting finger banged by my man, I close my eyes and imagine that it's her slender digits digging inside me instead.

if you don't want to party with us then go home

The baseball playoffs are starting today and a few of the guys and their wives are over to my house for the game. We are all die-hard Astros fans so we have a lot to root for. We can only hope they win this year. Throughout the year, we never lost faith in our guys. To make it even more special, Kory is the brother of one of the players and he chose to be here with us instead of accepting his brother's ticket to the game. As the game started, we all gathered around the TV, and beer and adrenaline start flowing freely.

We cheered at every good Astros play. The women were into it also. It had taken them a while to accept our enthusiasm for the game, but after years of going to games and even playing it, they've become fans of baseball and fans of the team. I'll spare you the play by play since this is the first game and I won't know who wins the Series for another month. This letter could not wait that long. As the game went on, we were all jumping and screaming like little kids. With just an inning to go and up by six, I grabbed my wife lifting her up off the floor, she wrapped her long legs around me, and we kissed like we did when we were teenagers.

My hands were on her ass holding her up, my fingers slipped underneath her skirt and panties, and into her wet pussy. She was as excited as I

had ever seen her. At forty she was still incredibly beautiful and I couldn't keep my hands off her. I lowered her to the floor where she removed her panties and opened her legs for me. I dropped my pants and underwear in one fluid motion and then dropped down onto her. My cock sank deeply into her hungry pussy. I was grunting, she was shouting out, and we climaxed together exhausted in our efforts. As I regained my composure and looked around we were not the only ones that had celebrated with sex, we all had. I don't know how I was so oblivious to the other goings on but it really didn't matter.

As I tried to compose myself, the game officially ends and my wife stands up and shouts, "We did it! Come on everyone, it's time to really celebrate. Whoever doesn't want to stick around and play should leave now!" Nobody left.

A few of our friends did not know exactly what she meant but a murmur went around the room and then everyone got it. We had often imagined such a scenario but none of us ever really thought that it would happen. I gave my wife a hug and a kiss before I grabbed Rochelle and carried her over behind the bar. I didn't need to show everyone how much I wanted her, and I didn't need to see who was fucking my wife either. Rochelle just smiled up at me

Her whole body tingled with delight as wave after wave of her orgasms shook her body. She came close to passing out from the excitement. Her body finally went limp and she just kept saying Rochelle's name...

as she grabbed my cock and played with it. I wanted to eat her pussy so I buried my face in her crotch and did everything that I had always wanted to do to her.

I kissed her pussy lips, I kissed her clit, and I tried to put my tongue as deep into her pussy as I could. She held her knees up to her chest to help me out. I licked her from her asshole to her clit several times before I tried to get my tongue in her ass. She cooed, she squirmed, and then she begged me to stick it in her.

But now I had a small dilemma. I had wanted to fuck her for years and now I had my chance, and I really wanted to stick my cock in her ass. Would she let me? All I could do was ask. Her answer was, "Stick it anywhere you want to as long as you do it now!" I positioned myself, she cooperated, and I popped the head inside of her sphincter muscle. She had me hold still for a moment so that she could get used to the intrusion.

I slipped my cock into her ass and my tongue into her mouth. As I fucked Rochelle in her ass, I whispered that I had always wanted her ever since we first met. Between my anal thrusts she whispered back that she had always wanted me too, but didn't want to get in the way of my marriage. Caught between wanting to cum in her ass and save myself for the other ladies, I asked if I could see her again after the party. She agreed but we'd have to do it on the down low. Then she said, "I feel you ready to cum. I want you to do it in my ass, lover." I decided then and there not to miss this opportunity.

That was perfect because I was about to do just that. I thrust deep into her anus and spurt load after load of cum into her ass. We kissed passionately and then Rochelle dared me to stick my cock in my wife's mouth. I smiled and dared her to get into a sixty-nine and stick her pussy in my wife's face. As we came out from behind the bar the others were also recovering. I walked over to my wife and stuck my cock in her face. She looked at Rochelle and then sucked it into her mouth.

When I was hard again, I walked over to Sandra and took her over in front of the bar and together we watched Rochelle sit on my wife's face. Sandra just let me open her legs and stick my cock into her as she watched the girl on girl action. Fucking Sandra was nowhere near as nice as fucking Rochelle or my wife. She just lay there and let me do my thing. She didn't squirm around, she didn't thrust back at me, and she didn't have an orgasm either. When I pulled out, Sandra put her hands down to her pussy and played with her clit as she watched my wife and Rochelle go at it.

When the girls were done, Sandra got on Rochelle do the same thing. Sandra screamed with delight as the intense pleasure swept through her trembling body. She jerked her body around wildly as she had orgasm after orgasm from Rochelle's talented mouth and fingers. Her whole body tingled with delight as wave after wave of her orgasms shook her body. She came close to passing out from the excitement. Her body finally went limp and she just kept saying Rochelle's name over and over.

Moaning as she loved the taste of her sticky pussy juices. Sticking her tongue up the velvet fleshy folds, she tongue fucked her creamy pussy as Rochelle had done hers.

Rochelle gave Sandra time to relax and calm down from her multiple orgasms. She had moved up beside

her and just lay there telling her how beautiful and sexy she was as she ran her fingers through her silky blonde hair.

Rochelle pushed Sandra on her back and moved on top of her. Opening her mouth she kissed Sandra, both of their tongues darting back and fourth in each others mouths. She rubbed her pussy against Sandra's as the kiss lasted a long time. As Rochelle raised up from the kiss she moved up and rubbed her small, firm tits against Sandra's mouth.

Rochelle moaned rubbing her big dark brown nipple against her wet soft lips.

Sandra flicked out her tongue and licked Rochelle's nipple before sucking it into her mouth. Rochelle moved back and forth letting her lick and suck both swollen nipples. Sandra moaned as Rochelle slid up and straddled her head. She admired her hairy pussy and the big lips sticking out past the dark brown hair, and wanting so much to taste her. She put her hands on Rochelle's tight little ass and fondled it. Flicking out her tongue she licked her wet, glistening pussy lips. Moaning as she loved the taste of her sticky pussy juices. Sticking her tongue up the velvet fleshy folds, she tongue fucked her creamy pussy as Rochelle had done hers.

Rochelle moved up so she could lick the crack of her ass and she did so willingly. She slid her tongue up and down her crack, swirling her tongue against her puckered asshole. Pushing the tip of her tongue up her hot, tight tunnel. Rochelle moaned and wiggled her hips around, pressing her asshole against Sandra's mouth.

As Sandra and Rochelle were going at it, I walked back to my wife who immediately dropped to her knees and I put my cock back in my wife's mouth. She looked back at Sandra and smiled at me before sucking on it. She licked every inch of it and even went down on my balls, trying to absorb all of Sandra's pussy slime into her mouth. When I was hard again she quietly demanded to taste all of the ladies tonight. I smiled and gave her a big kiss and she slapped

my butt like 'go get em, boy' before heading on to another lady.

It was all that I could do to fuck the other women that night but with my wife's help and thoughts of Rochelle in a threesome, I managed to do it. My wife got her fill of cock and I was glad not to have seen it. She may be a little more forgiving than me, so I just bury my head in the sand. But as she tasted each girl on my cock and in person, she told me which ones she liked the taste of and we should invite them back. Who am I to disagree?

The evening had definitely been one for the record books. Not only for the Astros, but at our house also. For years my wife and I had often talked about making love to the other women in our group. My wife got each woman to join us in bed for a threesome. Rochelle was invited for a threesome with us once a week. She was also invited over just to have sex with me a couple more times. I got to make love to all three of Rochelle's holes every week. Because of Rochelle, my wife now lets me butt fuck her occasionally. Now that alone was something extra good that came out of that party night.

Just to be fair, guys, you should know that my wife also got a good deal out of all this. The other wives, we've learned, also have created their own swapping agendas, so everyone is still getting their rocks off. When we all get together, everyone seems happier and closer than before. Admittedly, this is not a lifestyle for everyone. It's something we developed, and while I'm sure it won't last forever, it sure is a hell of a lot of fun right now.
